

Trade-In Program

To promote Schonstedt locators, we are pleased to offer authorized dealers the following trade-in values to pass to end users:

Trade-In Model	Total Trade-In Discount*	Discount Passed to End User**
Schonstedt	\$130	\$110
Competitor	\$200	\$150

*Total Trade-In Discount issued by Radiodetection - Schonstedt. **End-User Discount amount must be passed to end users by the dealer.

Terms & Conditions:

1. One trade-in unit is allowed for each new unit purchased.
 - a. When trading a REX, both the receiver and transmitter are required for one trade credit.
 - b. When purchasing a MPC-REX, two trade-in units will be allowed for each new MPC-REX kit purchased.
2. Schonstedt's Trade-In Program applies to Schonstedt Magnetic Locators and Schonstedt Pipe & Cable Locators, excluding LOKI, u-LOCATE and u-LOCATE+.
3. Radiodetection and Dunham & Morrow units are not competitor models.
 - a. The following Radiodetection models are accepted for trade:
 - i. RD312
 - ii. RD316
4. Schonstedt's Trade-In Program is only offered to end-user owned equipment.
5. The traded unit (Schonstedt and competitor models) must be taken out of service completely, by destroying the equipment so it is no longer usable or serviceable. Picture documentation of the destroyed equipment, displaying the serial numbers, is required at time of purchase. Serial numbers must be visible to be accepted as a trade. Picture documentation accepted at the discretion of Radiodetection.
6. Traded units will not be eligible for repairs of any kind at Radiodetection - Schonstedt.
7. Incomplete Trade-In submissions will not be processed, and a discount will not be applied.
 - a. To submit a complete Trade-In, dealers are required to provide the following:
 - i. PO for purchase of new equipment to apply trade discount, referencing the the promo SICOTRADE.
 - ii. PO must include:
 - Manufacturer, Model, and Serial Number of Traded Unit
 - End-User's Company Name, Address, Phone and Email Address
 - iii. Picture(s) showing the serial number(s) of the traded equipment and proof of destruction.
 - iv. Invoice to end user showing the trade discount on end user's new purchase.

If you have any questions about our Trade-In Program, please call Customer Service at 304-725-1050 or send an email to schonstedt.orders@spx.com.

Trade-In offers are available to US, non-ordnance locating dealers only.
