Standby Generators

POWERFUL. RELIABLE. UNMATCHED.

## PowerProtect™ 13kW<sup>1</sup> Standby Generator

Compact and versatile power.

With a 39% smaller footprint than other leading generators, the new PowerProtect 13kW Home Standby Generator provides the essential power you need during a power outage. Featuring a Vanguard® commercial-grade engine for unmatched top-tier performance and a robust warranty, this generator is perfect for powering homes with tight outdoor spaces and lot lines.

Briggs & Stratton® PowerProtect Generators provide comfort during power outages, shield against outage-related damage and costly disruptions, can lower your insurance premium, while enhancing your home's value.

Welcome to the future  
of home backup  
power solutions.

Engineered with  
**NGMax™**

for superior power and performance

We're setting a new standard that leaves the competition behind. **Only Briggs & Stratton PowerProtect generators feature NGMax™ technology for maximum power output on natural gas.** For homes with natural gas, PowerProtect generators are the ideal choice.

# POWERPROTECT.

Standby Generators

## Highest Rated Power Output on Natural Gas<sup>3</sup>

Engineered with NGMax for superior power and performance with convenient hookups for both liquid propane and natural gas.

## Corrosion Protection

Reinforced, corrosion-resistant aluminum enclosures and bases with Dura-Zen™ coating for a long-lasting attractive appearance.

## Vanguard® Commercial-Grade Engine

Designed for reliable, continuous performance—from the engine experts at Briggs & Stratton.

## Most Comprehensive Warranty in the Industry<sup>4</sup>

No out of pocket costs; labor, parts, service all included. That's up to a \$849 value!

## Eco-Cise™ Weekly Test Mode

Our short 16-second weekly test mode ensures your generator is in top operating condition while reducing noise and fuel consumption.

## Superior Motor Starting

Best motor starting in the industry<sup>3</sup> to ensure smooth operation of your large appliances during startup.

## Power Your Essentials

Customizable to your home's power needs, our optional Symphony® Choice Power Management system allows you to use a smaller, more affordable generator to prioritize your power needs.

## InfoHub™ Remote Monitoring

Monitor your generator status from anywhere, and get service updates from the convenience of your smart phone, tablet or computer.

## In-House Call Support

Enjoy direct access to our US-based Briggs & Stratton energy experts whenever you need them.
