

RECYCLE & WASTE

Perfect for events, facilities, warehouse, & outdoor uses

SAFCO®

Recycling Center Ensures Proper Waste Management

DID YOU KNOW?

Recycling one aluminum can conserves enough energy to power a television for over three hours, according to the Aluminum Association.

The SAFCO At-Your-Disposal Recycling Center keeps recyclables easy-to-manage.

WASTE SEPARATION

Individual 28 gallon bins securely fit under one lid.

MULTIPLE DECAL OPTIONS

Includes 12 easy-to-apply decals: Cans, Plastic, Paper, and Waste.

MOISTURE RESISTANT

Sturdy and durable PE material resists moisture.

RECYCLABLE MATERIAL

Made of polyethylene material that can be fully recycled after use.
